

(The following information comes from a weekly update supplied concerning the tribal government, local communities and issues that affect overall tribal business. The department or persons involved is shown at the end of each item. If the item is general in nature, PI will appear for Public Information)

(Natural Resource related items)

- **Miigizi:** Rebecca Lessard, Executive Director, Wings of Wonder announced that she is tentatively planning a bald eagle release for Sunday, June 17th at 3:00pm. This is an adult female bald eagle that was hit by a car several months ago. She is now ready to be released back to the area where she was found. The release will happen on 41 1/2 road which runs between Cadillac and Manton. Please feel free to invite anyone and everyone to this father's day eagle release. For the final details call at 326-4663.

(Public Safety/Court related items)

(Emergency Management items)

- **TEPC/IHS collaboration on Pandemic Exercise.** Representatives from the Tribal Emergency Planning Committee and Tribal Clinic met with Great Lakes Intertribal Council and MI District Health Department officials to collaborate on plans for an exercise of a health emergency response exercise in November. This would be an arrangement between the Tribe and Health officials to help respond in saving lives of Tribal Members during an incident.
